RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

The Defendant Has Violated The Following Conditions Of His Conditional Release.

The defendant shall reside at Ridgemont Group Home in a structured environment in which his compliance with medication and community adjustment can be monitored.

On April 13, 2005, Kenneth McMullen attacked another mental health consumer at the Southeast Mental Health Center (a residential facility) where he resided. According to a Southeast Mental Health Center incident report, Mr. McMullen made an object with a sharp edge which he used to attack his suite mate by cutting him on his forehead. Mr. McMullen was taken into custody by Memphis Police and transported to the Regional Medical Center at Memphis on a mental health emergency commitment. Case Manager, Patricia Doresy, of Southeast Mental Health Center advised that the defendant was discharged from the facility effective April 17, 2005 as a result of this incident and would not be allowed to return to any Southeast Mental Health Center residential facilities. Currently, Mr. McMullen is hospitalized at Community Behavioral Health with a discharge date of April 19, 2005.

The defendant shall not make threats to harm anyone.

A Southeast Mental Health Center incident report dated April 13, 2005, reveals that shortly after the attack, Mr. McMullen stated to Terrance Potlow, Southeast Mental Health Residential Coordinator, that he would kill the victim.
